

# New Corona regulations for Mecklenburg-Western Pomerania

## Overview over the most important points

Valid from 02.11.2020 - 30.11.2020

School and day-care centers will remain open. Sport activities for children and youth will remain possible depending on the local infection situation.

Only people from two households are allowed to meet in public (no more than ten people). The aim is to reduce the number of contacts.

You are urgently requested to refrain from unnecessary private trips and visits. Accommodation establishments are no longer allowed to accept tourists. \*

Leisure facilities such as cinemas, museums and fitness studios have to close. Sport activities engaged in alone, in pairs or with your own household are allowed.

Gastronomy establishments such as restaurants, bars, clubs and pubs have to close. Delivery and pick-up services are possible.

Personal care facilities such as tattoo studios, cosmetic studios and massage practices have to close. Visits to the hairdresser and medical pedicure remain possible.

Outdoor playgrounds are still accessible. The same applies to the outdoor facilities of zoos and animal parks.

\*Tourists who are already in MV must leave no later than November 5th.
